Attachment I contains a brief summary of each proposition and comments from affected County departments. Attachment II is a list of all County and other local jurisdiction initiatives which have qualified for the March ballot. Board action of September 25, 2001 placed County charter amendments A and B on the ballot. Measure A would establish term limits for members of the Board of Supervisors, as well as the Sheriff, District Attorney and Assessor. Measure B would establish term limits for members of the Board of Supervisors only. County Measure C, which is also a charter amendment, was placed on the ballot by Board action of November 6, 2001. It would expand the number of Assistant Sheriffs and Division Chiefs within the Sheriff's Department. Your Board has no position on the remaining local measures.
